

# Prevost Rear Cap & Exterior Upgrade Comparison

This coach features a full 2009 rear cap upgrade, dramatically modernizing the exterior profile. The redesigned rear fascia, updated lighting package, and sculpted cap styling remained in production for many years, giving this coach the appearance of a significantly newer model. CoachPro offers complete customization and remodeling options. As one of the most experienced Prevost specialty shops in the United States, modifications and design updates can be tailored to buyer preferences. The owner is motivated, making this an exceptional opportunity.
